A great text for deep work. The book and the class will follow the story of Jesus (as told by John) from the point of view of the Ancient Mystery Schools. This version of the Jesus story is a mystical course of study for those who want to live as the Christ. It is a story of Initiation and empowerment.

At the same time, you may find answers to questions such as:

- 1) What to do when you've done your best but have seen no results
- 2) What to do when you really messed up
- 3) How to stop working so hard
- 4) What to say when people speak unfavorably about you
- 5) The important step we leave out when "treating" for conditions

## How to get ready:

**First**, order the book **Bible Interpretations First Series** by Emma Curtis Hopkins. This is available through Amazon or Wise Woman Press.

**Second**, Read chapters; "All is in Divine Order" and "Jesus and Nicodemus" before the first class

Yes, we jump into the meaty part.
